

Lantin, date of postmark,

To the coach companies,

The association without lucrative purpose « Les Amis du Fort de Lantin » and the Cooperation « Vin de Liège », with the support from the house of Tourism of the Basse-Meuse, offers you a cultural and recreative day on their respective site.

In the morning, the fort of Lantin, welcomes you for a guided round of the fort or a commented tour of the museum of telephony, not forgetting the museum of the trenches, the 360° panorama and the mushrooms.

In the afternoon, the winery and vineyards from « Vin de Liège » offer you a pleasant distraction with a tour of the production sites and degustation.

Both infrastructures possesses an easy parking and is accessible for people with an handicap. You can find the complete program of « Une journée en Basse-Meuse » on the back. Hopefully you'll find this proposition interesting, we thank you beforehand in hope of a future collaboration.

The committee from « Les Amis du Fort de Lantin »
